## N. CAMEROON PEACE RALLIES

In February and March, Bro. George led two teams for Peace Rallies in Northern Cameroon cities of Koata and Mboumndo. A total of 323 people made professions of faith and were counseled. We plan to send more teams to N. Cameroon in the next year to continue to reach into this Muslim dominated area.

The highlight of 153 professions of faith on the first night and discipleship followup with new converts over the next couple of days. We look forward to another peace rally in January 2026 with a Mark 16:15 mission team.
